ORDER WILL MOVE FAMILIES

Away from Palestine—Trainmen in the Freight Service Affected.

An order just issued, effective January 22, midnight, will have the effect of removing several trainmen's families from Palestine to Taylor. This order requires all conductors and brakemen of freight crews to lay over at Taylor instead of at Palestine, as heretofore. The order affects all crews working in the Taylor district. Trainmen affected will be required to get a permit to lay off and visit their families at Palestine, and this fact will prompt numbers of them to move their families to Taylor.
It is said thirty or forty families may remove to the latter place.

J. W. Ozment for Re-Election.

J. W. Ozment, present alderman from the First ward, authorizes the Herald to announce him as a candidate for re-election. Mr. Ozment says he is running on his record. He has always been present at regular meetings of the council, and it is usually known that he is there. For the past year he has been chairman of the street committee, and is responsible in a large measure for the work that has been done in this connection. UPTOWN TAX OFFICE.

The County Tax Collector Will Be at Swift's Book Store in Evenings.

County Tax Collector Z. A. McReynolds authorizes the Herald to state that he will be at Swift's book store from 7 to 10 o'clock Thursday, Friday and Saturday evenings to give busy people a chance to pay taxes—poll or others. Mr. McReynolds does this because he realizes that many working people find it very difficult to get away from their work in business hours to pay taxes, and wants to give every one a fair chance to pay up. If you have not paid your taxes, you will find the books at Swift's after supper on any of the three nights above mentioned.

Her husband died about one year ago, and was buried at Vazilla, and the remains will be carried there to be interred beside those of the one who was her companion through life. They will be shipped tonight, accompanied by relatives here.

Mr. Stip was an old Texan, and a Mexican war veteran, and the old couple were well known to a great many old Texans.

BIG FIRE AT RICHMOND.

Flames Beyond Control and Valuable Property Threatened.

Richmond, Va., Jan. 22.—At 1:45 o'clock this morning fire broke out in the Williams building, a large structure in the heart of the business section, in which are located the American Express company, the Seaburg Tobacco company and the Blues' armory, the oldest military organization in the United States.

At 2:45 o'clock this morning the fire is still raging, and it looks as if the Chamber of Commerce will go and the million and a half dollar Mutual Assurance society's skyscraper is threatened. The Blues' armory contains 500,000 rounds of ammunition, keeping the crowds away.

William Cameron, manager of the Seaburg Tobacco company, says his stock is insured for \$40,000, which will about cover the loss. About 500 girls employed in the cigarette department will be thrown out of work.

A fireman is reported killed by falling walls.

At 3:30 a. m. the fire is under control, having been confined to the building where it originated.

The loss of the Richmond Light Infantry Blues, together with government property, is about \$60,000. The Seaburg Tobacco company's loss will be about \$50,000, on which there is \$40,000 insurance. The loss of the Adams Express company is estimated at more than \$100,000, and the building at \$100,000, making a total loss of \$300,000.
